

Green Camp 2023 Muszyna

2023 BISC Green Camp (for Y3-Y10 and IB1 students) will take place in Muszyna (150 km of Kraków) situated right in the heart of the *Beskid Sądecki* mountain range from Monday, June 12 to Friday, June 16. Hotel Alpina-Sport is a summer camp resort for children and teenagers. Situated in a wonderful valley, camp offers a beautiful and tranquil wooded setting where campers can improve their skills, learn new talents and most importantly, be safe and have lots of fun.

We will be staying in the main building in 2-6-person rooms. Alpina-Sport serves three meals a day. Camp facilities include a football pitch, basketball, volleyball, badminton and tennis courts, a climbing wall, playground, campfire place and dance hall. You can find out more about the campsite and their facilities at <http://www.alpinasport.pl>
